Meeting called to order at 6:15pm by President Greg Marcotte.

Carol introduced the subject of the Annual Garden Picnic planned for July 30. She expressed concern because the COVID B4 & 5 strains are escalating, the County of LA has indicated it will be reinstating an indoor mask mandate and she believes the garden picnic would have to eliminate the salsa and tomato tasting as well as pot-luck and simply serve prepared store food.

Motion was made by Kathy, seconded by Milt to cancel the 2022 garden picnic. The vote carried unanimously. Carol will contact a member who donated to the picnic and offer a refund.

Kathy will notify via MailChimp; Greg will notify via Facetime; and Carol will send out by email.

The August Work Party will still be conducted but assignments will be given at the entrance and members will need to work alone, with family or by choice.

Meeting was adjourned at 6:27pm.
