

Long Beach Community Garden Association, Inc.
Rules & Agreements
Effective July 1, 2020

I. INTRODUCTION

Long Beach Community Garden Association, Inc. (LBCGA) is a private, not-for-profit organization, which is located on land that is leased from the City of Long Beach. The City of Long Beach requires that LBCGA publish and maintain Rules & Agreements that conform to the city lease and the rules governing El Dorado Park (for park rules, please visit: <http://www.longbeach.gov/park/>).

The goal of LBCGA is to provide a safe and attractive environment for persons desiring a place to grow edible produce. The purpose of the Rules & Agreements is to maintain a neat and productive garden and provide a pleasant atmosphere for all persons in the garden. This document is an agreement between all members and the Board of Directors.

II. GARDEN PURPOSE

The garden plots at the Long Beach Community Garden (LBCG) are to be Kitchen Vegetable Gardens, not ornamental, decorative, meditation, flower or income gardens. This is not an extension of your backyard, patio, flowerbed or home garden. The primary factor that distinguishes a kitchen vegetable garden from other types of gardens is that the vegetable plants are specifically selected, planted and grown for eating. Flowers planted in the garden are for the beneficial properties that they can contribute to the gardens (e.g., flowers attract bees for pollination and beneficial insects to combat undesirable pests).

III. ELIGIBILITY REQUIREMENTS

A. To become a member and maintain garden membership, an individual must:

1. Be a current resident of the City of Long Beach. A business address does not qualify. Proof of residency must be provided at the time of admittance and upon annual renewal. Acceptable forms of verification are as follows:
 - California driver's license or California ID card, AND
 - Proof of residency such as utility or insurance bill, deed or other acceptable documentation with name and address clearly indicated.
2. Sign a LBCGA Agreement and abide by the current Bylaws and Rules & Agreements of the LBCGA.
 - Be assigned a garden plot and actively garden the plot.
 - Perform a minimum of 4 hours of Community Service annually (refer to Section VII).
 - Remain current with all association garden deposits, dues and fees (refer to Section XIII).

B. Special notes regarding member eligibility

1. Each Long Beach residential address may be assigned only one plot.
2. Plots are assigned by the Board of Directors and cannot be transferred, exchanged or sublet to another person. Plots may only be reassigned at the discretion of the Board.
3. Each member shall keep the Membership Chair/1st Vice President (VP) notified of his/her most current address and telephone number and preferably an email address. Any correspondence mailed or emailed to the members addresses on file, either physical or email, is considered delivered. If a member moves out of the City of Long Beach, he/she must inform the 1st Vice President immediately and relinquish the plot.
4. Upon a member's death, the spouse or partner of the same address may take over the garden plot as a member in his/her own right.

IV. MEMBER CODE OF CONDUCT

A. Members shall:

1. Display annual vehicle passes required for entrance to the garden in all member and guest vehicles, including bikes. If members enter on foot, they must have their garden vehicle pass in their possession. Passes are to be used only for admission to the LBCG and are not valid in any other areas of El Dorado Park or the SPCA/Animal Care Services facility. If El Dorado Park areas are used that require paid parking, you are responsible for those fees. If the SPCA/Animal Care Services parking lot is used, you must be conducting business with that agency. Failure to observe parking regulations may result in your car being ticketed and/or towed at owner's expense.
2. Maintain responsibility for personal guests and ensure guests follow LBCGA Rules & Agreements.
3. Abide by the LBCG hours of operation: dawn to dusk any time of the year.

4. Read the Information Board, emails, signage, and mail for current information and notices.
5. Use the emergency pedestrian gate only in case of emergency.
6. Observe the 5 mile per hour posted speed limit and observe all STOP signs in the garden; drive one way (south) on the center road and one way (north) on the east and west roads.
7. Supervise children and stay with them at all times while in the garden.
8. Properly use equipment and tools of LBCGA and return them CLEAN to their proper place.
9. Return EMPTY wheelbarrows and carts to the chip/manure areas.
10. Conserve water

B. Members shall NOT:

1. Sell or use garden produce for profit.
2. Enter another member's garden without permission. Removal of any item (crop, plant, tool, etc.) that is not your own personal property is considered theft and cause for permanent loss of membership.
3. Destroy or damage any property of LBCGA or its members.
4. Bring animals to the garden (including leaving pets in vehicles).
5. Provide food or water for any wild animals or birds.
6. Allow children to wander into neighbor's gardens or common areas.
7. Consume alcoholic beverages or smoke in the garden as per Long Beach park rules.
8. Skateboard, bicycle or roller-skate in the garden, except for passage TO and FROM your garden plot.
9. Remove anything (bags, produce, trays, etc.) from the Food Bank plots and/or from the Food Bank table, as it will result in immediate and permanent loss of membership.
10. Enter the orchard without permission, as it will result in immediate and permanent loss of membership.
11. Wash or rinse any vehicle in the garden.
12. Use deterring devices that make noise if the noise is offensive to any neighboring plot owner.

V. GARDEN PLOT REQUIREMENTS

A. Members shall:

1. Keep garden plot completely planted and harvested with new vegetables of the season (token planting and cover crops are not allowed). Gardens must be planted with at least 80% edible crops, thus allowing the remaining 20% of your plot for the inclusion of the following items:
 - Pathways
 - One plastic storage container
 - Two made-for-garden plastic or composite garden chairs or a small bench.
 - Two approved compost containers (Refer to Section X).Note: If an item is used as a support for growing crops (bean pole, tomato cage, trellis, etc.), it is considered part of planted crop. If not in use, they will be part of your 20% unplanted plot.
2. Remove weeds and grasses and trim or remove all diseased and/or pest-infested plants to avoid spread of disease and weeds and take reasonable steps to prevent and control diseases and pests.
3. Keep crops trimmed and out of pathways. LBCGA rescue personnel consider pathways fire lanes.
4. Keep garden paths at their original width and keep the north and east paths (and other assigned pathways for specific plots) adjacent to plot free of weeds and covered with chips at all times. Keep border boards free of soil, manure, chips and plants. Keep the plot marker on the northeast side of the plot clear and readable. If missing, report to a Board member.
5. Hand water and conserve water at all times. No drip systems, oscillating sprinklers, diffusers or soaker hoses are permitted in plots.
6. Place refuse from your garden into dumpsters provided. If dumpsters are full, keep refuse in your plot until dumpsters are empty. Any wood material must be cut to fit inside the dumpster. When finished emptying trash, be courteous and clean up crops/trash around the dumpster.
7. Follow LBCGA Perimeter Plot Fence and Raised Bed Rules (obtain from the Membership Chair/1st VP or the LBCGA website). Neither fencing nor raised beds can be attached to the border boards in any way. Raised beds cannot be greater than 8 inches higher than the border boards. Any new plot fencing or raised beds must be pre-approved, both in design and materials by submitting plans to the assigned Board member or info@lbcg.org. Perimeter fencing cannot be used as a trellis for vines or other plants.
8. Arrange for someone to take care of your plot when necessary, i.e., illness, vacation, etc. The LBCGA is not responsible for the upkeep of any member's assigned plot. Members are responsible for maintaining their garden, regardless of personal issues.

B. Members shall NOT:

1. Plant more than 10% of garden plot in beneficial flowers
2. Plant more than 50% of garden plot with any one crop.
3. Use fragile glass or any pressure-treated wood in the garden.
4. Alter, attach to, replace, or paint the border boards of the plot.

5. Raise the soil level in their garden plot more than 8 inches higher than the border boards.
6. Have any trellises, supports, cages, or any structure, including ornamental items, in excess of 6 feet in height.
7. Let anything (plant, structure, etc.) shade any neighboring plots.
8. Artichoke foliage must be trimmed off the soil to reduce rodent infestation.
9. Leave crops/trash in a wheelbarrow (either at a dumpster or in your plot).
10. Bring refuse from home or outside the garden and put into dumpsters.

VI. EQUIPMENT AND PLANTS

A. Members are allowed:

1. One storage container for tools and supplies; must be manufactured from a weather resistant plastic and designed for outdoor use (no wood or metal storage containers allowed.) Containers can be no taller than 3½ feet in height, not wider than 4 feet, and no deeper than 2 feet.
2. Two made-for-garden plastic or composite garden chairs or a small bench.
3. Made-for-garden support systems, poles, cages, and trellises, including concrete support wire. Wood poles and supports cannot be made from any type of pressure treated lumber. Posts or supports must be no larger than a standard 4x4 lumber and cannot exceed 6 feet in height.

B. Members are NOT allowed:

1. Old windows, stepladders, screens, doors, household furniture, cinder blocks, artificial turf, etc. to be used as décor, fencing or as supports or cages for crops.
2. Planting in containers of any type.
3. Containers (including plastic bags) that hold standing water and create habitat for breeding mosquitoes and other insects.
4. Overhead structures taller than 6 feet, measured from top of border boards to top of structure.
5. Work tables in plots.

C. Excess but usable materials, such as cages, trellises, stakes, etc. are placed behind the manure wall at the southwest corner of the garden (the far Nature Center corner).

D. The following vegetables or plants are **NOT ALLOWED** for use in the LBCG because they are invasive, toxic, have the potential for spreading plant diseases, harbor damaging insects or causing physical harm:

Bamboo	Datura	Mint (including Cat Nip)	Sorghum
Berries (prickly) (see section D below)	Four O'clock	Morning glory	Succulents
	Grapevines	Nightshade	Sugar cane
Butterfly Bush	Gopher purge	Passion fruit	Thorny plants of any kind
Cactus	Horseradish	Petunia	Trees
Canna Lily	Illegal plants or cannabis	Plumeria	Volunteer Tomatoes
Castor Beans	Jerusalem artichokes	Potato, sweet potato, yam, etc.	<i>Any woody perennial that grows over 4 feet</i>
Calendula	Melissa (lemon balm)		
Dandelion (common wild)	Milkweed	Roses	

E. Four-Foot Rule – Plants that are very large at maturity must be at least 4 feet from the plot borders, including but not limited to: asparagus, rhubarb, artichokes, sunflowers, etc.

F. Berry Plants -- Strawberry and blueberry plants are acceptable. Banned berries include blackberries, raspberries, or any other member of the genus *Rubus*. All such berry plants in the plots prior to July 1, 2008 have been grandfathered and will be removed as plots are vacated.

G. Rosemary and Lavender Plants – A community herb garden can be found at the southeast corner of the orchard for all members to access. This will allow for maximum use of plots. If planted in plots, Rosemary and Lavender shall be maintained so as not to reach a height of greater than 3 feet and the main stem shall not be greater than 1-2 inches in diameter, resulting in a tree-like plant that is larger than needed and is difficult to remove.

H. Seasonal Rule -- All tomatoes, peppers, and eggplants must be removed from garden plots PRIOR to December 1st and are not to be planted before March 1st. This is to control diseases that can persist from overwintering plants.

VII. COMMUNITY SERVICE

- A. Community Service, performed by members during scheduled work parties (or additionally approved by an Officer), is used to maintain the common areas of the garden and perform duties that ensure a good infrastructure.
- B. Each member must perform a minimum of 4 hours of community service per year within the confines of the LBCG. Hours are pro-rated if a member joins after January 1st.
 - 1. At least 2 of the 4 hours must be completed no later than December 31 of a given year. If 2 hours are not completed by the last day of December, it will result in a requirement to complete an extra 2 hours for a total of 6 hours for the year by the end of the scheduled work party in June (1st Saturday of the month).
 - 2. Monthly Work Parties are normally set for the first Saturday of the month (subject to change) and are posted on the bulletin boards in the garden. Check-in begins at 7:15am under the gazebo with work from 7:30am to 9:30am. Members may bring family members or friends to complete the required hours, but all workers must remain for the full 2-hour period (no one under the age of 14 is allowed to participate due to liability issues). Members shall wear appropriate clothing, gloves, and closed-toed shoes, and have tools available, depending on the assignment. A verification of hours will be provided following the work party and must be kept for any renewal discrepancies.
 - 3. Special work parties may be called as needed and some committees conduct work groups during the week and in evenings. These will be posted or communicated to the membership and apply to the Community Service requirement. Special request for assignments at the convenience of members may be appointed only if such work is available.
 - 4. Admittance to the garden during work party hours is for those attending the work party only. There will be no personal gardening in any plot during these scheduled work parties.
 - 5. Permanent assignments are available for those who are willing to commit to an ongoing community service assignment, such as maintaining chip and manure corners, delivering food bank produce, etc. Members interested in a permanent assignment should contact the President.
- C. Community Service Hours must be completed on or before the last work party of the Garden Year (held the first Saturday in June). Carryover of Community Service Hours to or from previous or future membership years is not permitted. There will be no grace period or waiver for fulfilling Community Service hours.
- D. Participating in work parties is encouraged to facilitate networking with other members and to increase understanding of what it takes to maintain the garden infrastructure. If unable to attend members may pay \$25/hour for those hours unserved in lieu of physically working the hours, To meet this monetary requirement, payments must be made by the end of December and June.

VIII. GARDEN REVIEWS

- A. Approximately every two weeks, a Garden Review will be conducted by volunteer Board members along with any volunteering members to identify gardens not in compliance with the Rules & Agreements of the LBCGA. The first Garden Review will occur on or shortly after the first Monday of the month as posted on the Information Board. ~~Dates and times of the reviews will be posted in advance and any member at large is welcome to participate.~~
- B. Row monitors may be assigned by the Board in an effort to improve communications at a more personal level and to share responsibility among members. Row monitors are working on behalf of the Board.
- C. Communications to members regarding problems will generally be by email or by US Postal Service if an email is not available. Communication can range from a simple reminder to a Correction Notice or to a Notice of Termination for repeated Correction Notices. (Refer to Section XII.) In all cases, a reasonable time period for correction of problems will be provided.
- D. Should Board Members identify banned plants or plants placed in violation of the Rules & Agreements, they have the authority to remove the plants.

IX. WATER SYSTEMS, HOSE USE AND HOSE REPLACEMENT

- A. The City of Long Beach controls the water systems to the LBCG. Should the water be turned off temporarily for repair or any other reason, it is beyond the control of the association Board.
- B. Hose replacement (purchase and cost) is the responsibility of the gardeners that share a common hose.

- C. LBCGA recommends purchasing a Craftsman rubber hose, only 50-foot allowed, as a longer hose would break the hose holder and a shorter hose will not reach the perimeters of the assigned plots. The Craftsman hose has a lifetime guarantee; if it leaks or breaks member may return it to any Lowes store for a full replacement.
- D. All hoses must be stored, wound and hung properly on hose hangers without kinks and in concentric rings. Bending hoses at sharp angles at connectors can cause damage and leaks.
- E. Problems with the water or hose hanger should be reported to a Board member for repair.

X. COMPOST CONTAINERS AND COMPOSTING

- A. Compost containers are limited to no more than two containers with a combined size not to exceed 3 feet x 3 feet x 6 feet in size.
- B. All composting must be done in covered containers. Open composting on the soil is not allowed.
- C. All crops in composter must be covered with dirt or manure to deter flies, gnats and critters. Members are not permitted to utilize any meat scraps (will attract vermin) or weeds in composters.
- D. Compost containers are considered part of the 20% non-planted area of the plot.
- E. Composters are not to be used for trash storage because they attract animals, cause spread of disease and create a foul odor. If used only for trash (whether plant material or paper/plastic), they must be removed from the plot.

XI. FOOD BANK AND ORCHARD

- A. Through its Food Bank project, the LBCGA provides free produce to organizations approved by the Board of Directors, including but not limited to, homeless missions, battered women, abused children, the poor etc. Each member is expected to contribute a portion of produce to the Food Bank project.
- B. Taking produce from the Food Bank plots or the Food Bank or taking more than the allowable fruit from the Orchard Table (Refer to C. in this Section) will result in immediate and permanent loss of membership.
- C. Members are not to enter the Orchard without permission of the Board or designated Orchard Manager(s). Any fruits from the Orchard will be picked by the Orchard Manager(s) or designee(s) and placed on the Orchard Table under the gazebo for the membership. Members are allowed to take daily from the Orchard Table:
 1. Two items of each variety, per person, per day unless the instructions on the sign indicate otherwise.
 2. A handful of small fruit such as cherries or kumquats.

XII. TERMINATION OF MEMBERSHIP (Voluntary and Involuntary)

- A. Members must notify the Membership Chair/1st Vice President (VP) immediately when planning to give up membership.
- B. Gardens must be cleared of all plants and materials making it “ready for the next gardener”. Anything left in a plot must be approved by the President or Membership Chair/1st VP, i.e., fencing, raised beds, plants, etc.
- C. A gardener in good standing who voluntarily gives up membership and leaves the assigned plot “ready for the next gardener” may reapply for membership at a future time.
- D. A gardener who loses membership for a minor infraction may be added to the waiting list after a one-year waiting period.
- E. A gardener who loses membership for a major infraction may permanently lose membership and may not be able to reapply or enter the garden for any reason (other than to collect belongings and clean plot).
- F. Membership in the LBCGA may be terminated if any rules (including El Dorado Park rules) are broken. This action is not taken lightly by the Board of Directors but will be exercised when necessary and appropriate.

A member may be terminated* for any of the following examples:

1. Falsification of information.

2. Theft, removal, or destruction of property from any garden, orchard or member or from the LBCGA.
3. Drinking alcohol or smoking in the garden.
4. Removing any items from the Food Bank table (food, containers, bags, etc.).
5. Failure to make corrections to garden plot upon receipt of a Correction Notice in the time allotted.
6. Excessive plot problems -- Plots receiving three Correction Notices within a twelve-month period can be terminated or placed on probation. (The year begins upon receipt of the first notice.)
7. Abandoned Plot -- By LBCGA standards, an abandoned plot means: no crops, no activity (planting, watering or weeding), overrun by weeds or blooming weeds/crops, crops going to waste or rotting.
8. Entering another member's plot without permission.
9. Disrespectful, abusive, harassing, or threatening behavior or language toward other members.

* Examples are not limited to the above and are at the reasonable discretion of the Board of Directors.

- G. When a membership is terminated, voluntarily or for cause, the member must collect personal belongings within the period stated in their termination letter or by mutual agreement between the member and the LBCGA. Any items left in the plot after the agreed upon date become the property of LBCGA.
- H. New members are on probation for the first 90 days and membership may be terminated for cause or Rules & Agreements violations, which includes, but is not limited to, a Correction Notice.
- I. Members can appeal to the Board of Directors regarding the loss of membership or other actions taken by the Board. The appeal can be either in person or written submission to the Board. The member requesting an appeal shall contact the President to be placed on the meeting agenda to be heard at the next scheduled Board meeting or special meeting called by the President. The Board of Directors' decision is final. Decisions could result in loss of membership, probation of one year or other action as necessary and appropriate. Should probation be violated, loss of membership will ensue with no appeal.

XIII. DUES AND FEES

- A. There is a \$10.00 non-refundable Application Fee payable prior to being added to the membership waiting list.
- B. Annual dues for membership are currently \$130.00 and are prorated after January 1st, with fees subject to change. Gate openers/tags are \$15.00 per opener -- this is the fee for the lifetime of the membership and both must be returned upon termination of membership.
- C. The gate openers and passes are limited to 2 per plot by agreement with the City of Long Beach. Fees must be paid by check or money order; cash will not be accepted. A \$50.00 fee will be charged for any returned checks.
- D. Replacement for lost gate openers and vehicle passes is \$15.00 and \$5.00, respectively.
- E. Membership renewals shall be emailed to members and can be returned through US Postal Service or the garden mailbox. Packets with instructions will be emailed on or about May 1 for the following year. Renewal must be completed and mailed in time to be received no later than June 30. Dues must be received no later than June 30 of a given year. No further reminder will be sent prior to this date. If not received by June 30, a penalty of \$45 will be added for a total fee of \$175. If not paid by July 15, the result will be loss of garden privileges.
- F. All dues and fees are non-refundable.

XIV. GOVERNING BOARD OF DIRECTORS

- A. Through its bylaws, the LBCGA is self-governed and the City of Long Beach refers all issues back to the Board of Directors who function voluntarily and uncompensated in the 15 positions.
- B. Duties and responsibilities:
 1. Overseeing all activities and the fiscal integrity of the Association.
 2. Establishing and adhering to policies that will ensure that it fulfills its legal and community obligations.
 3. Setting the tone for dynamic and supportive leadership.
 4. Ensuring that the needs of the membership are met.
 5. Approving and evaluating programs and activities.
 6. Planning the LBCGA's future direction.
 7. Establish policies to guide the operations of the Association.
 8. Establish financial objectives and monitor progress.
 9. Refraining from personal preferences influencing decisions that affect the organization and members.

- C. The Board of Directors is the determining body to set and interpret the Rules & Agreements with all decisions being final.
- D. Board meetings shall be held every other month (even months) or as specially announced, if necessary. The Board of Directors shall hold closed session hearings on any member requested appeals.
- E. The Board of Directors will not disclose members' personal information.
- F. All Board members must have email capability to communicate regarding meetings and Board issues.
- G. In a garden emergency such as flooding, fire, unauthorized entry or other such events, Board members on site may take appropriate corrective action in consideration of the welfare of the garden and/or its members as a whole. If a Board member is not on site, one should be contacted.
- H. Board members are not obligated to converse or otherwise meet with anyone, including members, prospective members or visitors unless the meetings are civil and respectful nor will anyone be expected to respond to persons who are harassing, intimidating and/or threatening.
- I. The LBCGA may provide accessible garden plots that comply with ADA reasonable accommodation provisions.
- J. Elections of officers shall be held annually and nominations forms will be emailed to all members.

XV. RELEASE AND WAIVER OF ALL LIABILITY AND ASSUMPTION OF RISK AGREEMENT – previously a separate document, now being added to Rules & Agreements for convenience.

FOR GOOD AND VALUABLE CONSIDERATION, including permission to participate in Long Beach Community Garden Association (LBCGA) work parties and related activities, I, for myself, my family or anyone that accompanies me while at the Long Beach Community Garden:

- A. Acknowledge that I fully understand that **my participation is voluntary and may involve risk of injury**, including economic losses, which may result not only from my own actions, inactions, or negligence but also from the actions, inactions, or negligence of others, the condition of the facilities, equipment, or areas where the activity is being conducted.
- B. Agree that, prior to participating, I will inspect the facilities, equipment, and areas to be used, and, if I believe that any of these are unsafe, I will immediately advise the person supervising the activity.
- C. **Assume any and all risk** of bodily injuries to myself or anyone accompanying me, including medical or hospital bills, permanent or partial disability, death, and damages to my property including personal vehicles, caused by or arising from my participation in any garden activity or use of the entry gate. This includes, without limitation, use of the garden and its gates, tools, equipment, parking area, planting area or walkways, and my participation in any activity, class, program, work party or other instruction now or in the future made available.
- D. **Covenant not to sue or present any claim** for personal injury, property damage or wrongful death against the LBCGA, its association, Board, volunteers and agents for damages attributable to my participation in the activities.
- E. **Release, waive, discharge, and relinquish**, to the extent allowable by law, the City of Long Beach and the LBCGA, its commissions, boards, officials, employees, volunteers and agents from any liability, loss, damage, claim, demand, or cause of action against them arising from or attributable to my participation in the activities, whether same shall arise by their negligence or otherwise.
- F. Agree that photographs, pictures, slides, movies, or videos of me may be taken in connection with my participation in the garden without compensation from the LBCGA and consent to the use of these photographs, pictures, slides, movies, or videos for any legal purpose, and
- G. Warrant I am in good health and have no physical condition that would prevent me from participation in the garden activities and further, agree that, prior to participation, I will advise the person supervising the activity if I am unable to perform duties requested of me due to health or physical constraints.

THIS DOCUMENT RELIEVES THE CITY, THE LBCG, AND OTHERS FROM LIABILITY FOR BODILY INJURY, WRONGFUL DEATH, AND PROPERTY DAMAGE BY NEGLIGENCE. I HAVE READ THIS DOCUMENT, UNDERSTAND THAT I GIVE UP SUBSTANTIAL RIGHTS AND ASSUME ALL RISK BY SIGNING THE NEW MEMBER OR RENEWAL APPLICATION AND I SIGN VOLUNTARILY.

XVI. INFORMATION

- A. The Board of Directors generally meet on the first Saturday of every other month (even months) in the large barn at the garden after work parties. Members are encouraged to attend Board meetings.
- B. Members may bring suggestions or questions before the Board, in person or in writing by contacting the President or Secretary to be added to the agenda. Members may also contact any Board member and express concerns by phone or e-mail found at info@lbcg.org
- C. Including annual renewals, the majority of communication between the Board and members will be handled by email therefore members are asked to provide an email address when applying for or renewing membership. Members without an email may not receive all communications.
- D. The physical address of LBCGA, Inc. is **Long Beach Community Garden Association, 7600B E. Spring Street, Long Beach, CA. 90815.**
- E. Letters may be sent to **LBCGA, Inc., P.O. Box 50167, Long Beach, CA 90815** or placed in the mailbox in front of the small barn in the center of the Orchard.
